Please choose one homework option to complete daily.
You will need to turn it in each morning.

1. Repetition: Write your words 5 times each.
2. Sentences: Write a sentence for each spelling word. The sentence must contain at least 7 words.
3. Story Time: Write a short story using all your words.
4. Pyramid: Write your words adding or subtracting one letter at a time. The result will be a pyramid shape of words.

5. Trace Around: Print your spelling words neatly. Take 4 colored pens and draw an outline around the word with each pen, closely following the shapes of the letters.
6. Practice Test: Have an adult give you a practice test, then have the adult sign it, and turn it in. This can only be done once during the week!
7. Write a song using your words and turn it in. For extra points, you can also sing it to me! 😊
